Dear Member

The subscriptions will be the following this season:

- Concessionary members: £20 (reduced to £17.50 if paid no later than 31 October 2016)

All members are required to be ECF members at bronze level or higher. Please arrange this yourself and provide your membership number on your form. All charges made to the club for games played by those not ECF members will be passed on to the players concerned.

The preferred method of payment is electronic banking. These details will be supplied upon request. For those who have paid by this method in previous years, the details are the same. Please put your name as the transaction reference. Please also fill in this form and return by email to me so that we have your up to date details.

Alternatively please fill in this form and post to the address below or hand to any club officer.

Please make every effort to pay promptly. All additional donations are welcome as ever.

Personal contact information will be stored in electronic format for use by the club only for the purposes of Richmond & Twickenham Chess Club activities and as required for chess leagues and chess associations to which the club is affiliated. Members who do not wish to have their personal contact details recorded in this way should contact the club secretary.
